Join us for a conversation about faithful voting

Mike Kennedy of Interfaith Power and Light joins us to talk about Interfaith Power & Light's nonpartisan Faith Votes campaign

The Faith Votes campaign inspires and mobilizes people of faith and conscience to express their faithful values through voting. Through the power of our vote, we can communicate our shared values of caring for our common home and living out our love and respect for one another.

**We can join together to protect our Sacred Earth
...for current and future generations.**
