Climate Justice Ministries Task Force
and open to everyone!

Saturday, September 6
9 am – 3 pm

Hillside Sanctuary
1422 Navellier St, El Cerrito

Registration limited to 50 participants. Deadline: August 20
\$10-20 suggested donation (but no one will be turned away)

“When I behold your heavens, the work of your fingers, the moon and the stars which you set in place – what is humanity that you should be mindful of us?” – Psalm 8:3-4a

“Do no harm; do good; stay in love with God.” – John Wesley’s “General Rules” for Christian Living

In this time when there are assaults on all sides, we need to make space to connect with the Divine -- to be spiritually grounded -- as a daily first step toward works of love and justice. We'll gather in large and small groups to connect with the Earth and one another. Participants will receive an orientation to the Sacred Ground project and other ways to deepen our connection with the Earth.

Vegan lunch provided. Sorry, childcare not available.
